Dear Charter Review Committee,

I will be unable to attend the meeting on Tuesday, April 7th due to my school schedule however, I would like to give a little input. Having worked for the Town of Palmer when we had Town Mtg. and Selectmen and also working with a Town Manager, my opinion would be to continue with a town manager style of government. As a department head I feel that town runs smoother with this type of government. It is better for us to have a town manager who we can discuss issues with right away and get an immediate decision. Thank you for asking for our input. Erin Pincince, Director, Palmer Council on Aging
