## WELCOME TO THE MIDURA FAMILY CONSERVATION AREA!

Welcome to the Midura Family Conservation Area! This property is part of a long range conservation and open space plan undertaken by the Town of Palmer Conservation Commission. This property contains approximately 120 acres that is open to the public for walking, hiking, picnicking, nature study and photography and other passive recreation uses. The property has an extensive trail network in existence with more trails to be constructed in the near future.

The property contains a diverse array of plant and animal life that should be enjoyed and preserved for future generations. We hope that you enjoy your visit to this Conservation Area. For your own enjoyment and safety, and to protect and preserve the plant life, please follow these simple rules:

- ◆ Enjoy your picnic, but no alcohol please
- ◆ Dispose of trash properly
- ◆ Enjoy the tranquility, and respect the right of others to enjoy the tranquility.

### Points of Interest:

- ◆ **Old McMaster Road:**  
This road was originally laid out by the Town in 1754. This road runs from Old Warren Street to Boston Road. It traverse the property and offers a very pleasant and scenic walk. It is about 1 ½ miles long.

- ◆ **Trail Network:**

- ◆ Please stay on paths, or if you venture off the paths, please tread lightly
- ◆ Leave all plants, flowers and wildlife undisturbed

## POINTS OF INTEREST

There is a well worn network of trails as shown on the site map. These trails offer a pleasant walk around the property to allow a peaceful walk and photographic oppor-

tunities.

### ◆ Meadows:

The three meadows on the property are currently being rehabilitated by the Conservation

### ◆ Kings Brook:

Kings Brook passes through this property contribute the diverse plant and wildlife on the property.
