 - i. Two dates have been identified for the next Regional Commission Convening - Monday, May 24th and Tuesday, May 25th. Please complete the poll by Monday, March 8th at 5pm: <https://www.when2meet.com/?11226761-GUmgT>. Based on the Regional Commissioner responses, the date and time of the Convening will be confirmed on Tuesday, March 9th during the Program and Planning Committee meeting.
- b. Virtual Advocacy Day - Advocacy Day will be held on May 19th. More details to come.**
- c. Commonwealth Heroines**
 - i. This afternoon we will be opening up the recommendation form for the Commonwealth Heroines Class of 2021. Each year the Commission partners with state legislators to identify women who make outstanding contributions to their organizations and communities. Each legislator is encouraged to submit one woman from their constituency as a means of recognizing their invaluable community efforts. This submission form will be open for legislators until Monday, April 5, 2021. For more information, please visit the links below:
 - ii. [Commonwealth Heroine Program Book 2020](#)

iii. Commonwealth Heroine 2021 Work Plan

d. Adjournment

About Our Featured Guest:

HAMPDEN COUNTY COMMISSION ON THE STATUS OF WOMEN AND GIRLS PRESENTS:

April Public Meeting

Thursday April 8th 6:00PM

33A

Featured Guest
Dr. Neena Qasba, MD
Medical Director
Baystate Wesson Women's Clinic
Assistant Professor, University of Massachusetts Medical School - Baystate

1X 5063

Dr. Neena Qasba is a board-certified obstetrician-gynecologist with subspecialty training in Complex Family Planning and an Assistant Professor at the University of Massachusetts Medical School-Baystate. She completed her OBGYN training at Indiana University and completed her fellowship at Yale University. She also earned a M.P.H. in Health Policy and Management at Yale University. She is interested in policy implementation science and her current research focuses on the area of reproductive health. She currently serves as the Medical Director of Wesson Women's Clinic at Baystate Medical Center, which provides comprehensive OB/GYN health services and specialty services for the local community and serves as regional referral center. She focuses her time on process and quality improvement using a health equity perspective.
