Ordinance 2010-03

AN AMENDMENT TO TOWN ORDINANCE 2007-001

REQUIRING TOWN COUNCIL TO SET COMPENSATION OF ALL ELECTED OFFICIALS

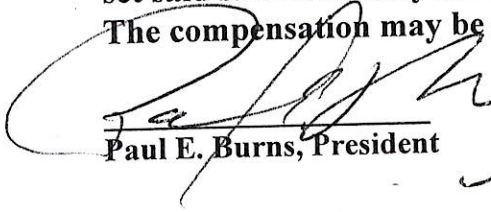

BE IT ENACTED BY THE PALMER TOWN COUNCIL that Town Ordinance 2007-001 be amended to both remove specific language and insert additional language. Delete the words "at its regularly scheduled March meeting" in the first paragraph. Also in the first paragraph replace all reference to a specific number of members of each body with the phrase "all members of the" specific board. Also insert the words "the elected" in front of the words "Town Clerk". Delete the words "The Town Council shall not amend the compensation at any other meeting." From the second paragraph of the original ordinance.

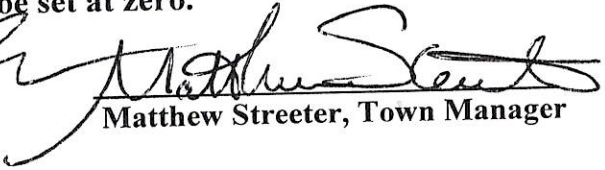

Insert into the second paragraph "The Town Council may set said Salaries at any meeting prior to the start of the fiscal year."

The amended Ordinance shall then read:

The Town Council shall, by resolution, set the compensation of all elected officials within the Town. All members of the Town Council, all members of the School Committee, all members of the Planning Board and the elected Town Clerk.

The compensation set by the Town Council shall be for the subsequent fiscal year beginning July 1st. The Town Council may set said salaries at any meeting prior to the start of the fiscal year. The compensation may be set at zero.
