

MPIC Minutes for February 8th, 2023

Attendance: Dave Golden, Timothy Cienciwa (chair), Michael Dee (vice chair), Amber Kumpulanian (secretary)

Absent: Mark Caci,

Meeting start: 6:03

Dave Golden requested a change in the minutes from February for a small word change. It was agreed upon. Amber will send the minutes over to Rebekah this week.

Timothy spoke to John Sasur, a former member of the water commission in Three Rivers. The committee decided to extend the invite to Palmer's water department first and then work their way through the rest. Michael agreed to contact Chris Connolly and then request him to be at the March 15th meeting.

Timothy said he would reach out to Marc in regards to whether or not he had brought up the lack of space for the historical commission to the town council.

Amber looked at the various water boards websites and there were a lot of questions about information, as they were all different.

Meeting ended at 7:02pm
